SENATOR F. LEWIS: Mr. President, what I was going to suggest and I want to ask Senator Lewis if it is okay with him. Could we kind of hold up here, Senator Lewis, on this bill for one day?

SENATOR R. LEWIS: Yes. In fact, I have asked for an Attorney General's opinion on this specific thing to see if a county board can legally hold up eminent domain proceedings and I would like, with your permission, Senator Frank, bracket this on Select File for a couple of days until I hear from the Attorney General's office.

SENATOR F. LEWIS: Very good. I appreciate that.

CLERK: Do you want to withdraw the request to expedite the bill, then?

SENATOR R. LEWIS: There is a request to expedite the bill, isn't there? Senator Rasmussen made that move. Let's see what he wants to do.

PRESIDENT: You are making a request for unanimous consent to lay the bill over until when, Senator Frank Lewis?

SENATOR F. LEWIS: I just asked for an additional day and I would explain, this afternoon, the Sarpy County Board is meeting with the Mayor of Lincoln and some of her Council people to work out the issue that I had an interest in and so I am sure there will be some resolution by tomorrow so I would ask simply for a lay over of a day.

PRESIDENT: Is there an objection?

CLERK: (Mike off) on E & R Final. Still is a request to expedite.

PRESIDENT: The expedition is still there. It is a motion to return for a specific amendment is laid over.

CLERK: Oh, this is laid over. Okay.

PRESIDENT: Well, there is a request for unanimous consent. Is there an objection?

SENATOR F. LEWIS: Mr. President, I am going to withdraw that request. Go ahead and move the bill on and by tomorrow I will know whether or not I have to bring it back.

PRESIDENT: Okay, there is nothing pending, then, on 805. Did we dispose of 782, Mr. Clerk?

CLERK: Yes, it was laid over until Monday.

PRESIDENT: All right. 733. Senator Dworak. 733.

SENATOR DWORAK: Mr. President, I move that LB 733 be advanced to E & R for engrossment.
